

DISCREPANCY IN JUNE 2011 RETIREMENT ALLOWANCE

Posted July 1, 2011

Dear Retiree,

This is to let you know, the Retirement Plan Office is aware of the discrepancy in the YTD fields reflected on your checks. We are in the process of having this fixed. We expect to have the YTD fields adjusted for your July check (payable August 1).

Please be assured that this error will not affect your 1099s.

We are sorry for any inconvenience this may have caused you. If you have any questions, please contact us at:
